Dear Sirs,

H.

I am in receipt of your letter of the 8th instant respecting the steam trawler "ONWARD" and in reply I have to say that in view of this vessel being still engaged on Government service the Committee who had the case before them at their meeting today are agreeable to the boiler survey and the examination of the screw shaft being postponed for the present. I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

yours faithfully,,

Secretary.

The Surveyors,

HULL.
