Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

7th September 1915.

Dear Sirs,

Reverting to my letter of the 25th November last respecting the steam trawler "ONWARD" I have to point out that the limit on the screw shaft expired at the end of last month and that the boiler survey became due in June 1915. I shall be glad if you will ascertain and let me know whether this vessel has yet been released from Government service.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

Hull.
