Enclosure.

29th April, 1903

Dear Sirs,

S. I beg to acknowledge the receipt of your letter of the 24th instant respecting your steamer "PEARL", and in reply to your enquiry to explain that this vessel was launched at Londonderry on the 11th December 1903 and that the Special Survey was completed at Irvine in March 1904, and in accordance with the Society's Rules the classification of the vessel commenced at that date.

For your information I enclose an extract from the Rules bearing on the subject.

You will therefore see that the steamer became due at the end of last month for the Special Survey No.1 prescribed by the Society's Rules.

I am, Dear Sirs,

Yours faithfully,

Secretary to the  
Classification Committee

Messrs. John H. Weatherill & Co.,
