

It is submitted that Messrs John H. Wetherall & Co
should be informed that the survey on their S.S. "Pearl"
was completed at Glasgow in March 1904 and the
classification of the vessel commences at that date.

S.S. No 1 therefore became due on the "Pearl" at
the end of March 1908.

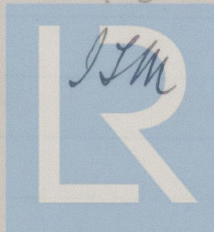

A copy of Sec 7 on page 34 of the Rules
should be supplied to Messrs Wetherall, who should
be further informed that the "Pearl" was launched in
December 1903.
