Dear Sir,

Vickers-Armstrongs' No. 726.

With reference to your Classing letters of the 12th and 16th February, concerning the fees for the above vessel, we beg to state that Messrs. Vickers-Armstrongs, by an arrangement made with the Auxiliary Machinery makers are not responsible for the fees for the Auxiliary Machinery, and as Messrs. Vickers-Armstrongs are anxious to have the Certificates for the ship, it is submitted that the Surveyors concerned with the Auxiliary Machinery in question might make representation about the payment of the fees.

It is also noted that in this instance the First Entry fee of £2 has been charged by the Glasgow office and a cheque for this amount has accordingly been forwarded to the Builders from the Petty Cash account at this office.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS.
