21st January, 1908.

Gentlemen,

With reference to the first entry report on the machinery of the Steamer "NORA" I have to acquaint you that in reply to inquiry I am informed by the West Hartlepool Surveyors that the spare gear was not complete on the vessel leaving there and that they requested you by letter dated 16th ultimo to check the same.

I have therefore to request that you will state whether you checked the spare gear when it was completed and that you will forward a list of the same to this Office.

I am, Gentlemen,

Your obedient servant,

Secretary.

The Surveyors,

NEWCASTLE.
