Sir, ANSWER

In reply to your letter of the 18th. instant regarding the spare gear of the steamer "NORA", I beg to state that the spare gear was not complete on leaving here and that the Newcastle Surveyors were asked by letter dated 16th. December, 1907 to check same. The usual list is stated to have been supplied with one propeller and one shaft in addition. The latter were seen by me.

I am, Sir,

Your obedient Servant,

*L. J. Hudson.*
