13th October, 1910.

2 ENCLOSURES

Gentlemen,

With reference to your Reports Nos. 24539 and 24540 on the machinery constructed at your port by the North Eastern Marine Engineering Co. for the steamers "MARIE" and "NORA", built by the Antwerp Engineering Co. Ltd., I enclose herewith copies of letters to and from the Antwerp Surveyors respecting the collection of fees. From this you will observe that only one-third of the fees for the special survey of the machinery has been collected in each case at Antwerp, and the balance amounting to £16:8:0 is therefore still unpaid. I shall be glad if you will take the necessary steps for the collection of this amount from the North Eastern Marine Engineering Co.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,

SUNDERLAND.

Secretary
