Periodical Surveys, when held, must be reported in detail and serially in the terms of the Rules. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the replacement of Anchors or Chains is reported, the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case.

Society's Freeboard (if assigned) as painted on Ship and now verified } ft. ins.

In damage cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and why they were declined? Was a damage report made by anyone else? If so, by whom?

REPAIRS, OR EXAMINATION AS PER RULE, FOR part S.S. No 3

Fore end of bridge space examined & found in good condition & well painted. Lower side bunkers in way of Engine and Boiler spaces examined, ceiling lifted and timbers examined. deck fittings & general equipment examined.

To complete the survey all the rule requirements to be carried out with the exception of the examination of the fore end of bridge space and the lower side bunkers.

The owners inform us that the remainder of the survey will be carried out in the course of a few months.
