REPAIRS, OR EXAMINATION AS PER RULE, FOR

Was a damage report made by anyone else? If so, by whom?

How done: Vessel placed in Dry Dock. Bottom & rudder
cleaned & examined. Several shells were purchased (P. & S.) in landing at upper
turn of bilge, abreast of Main Hatch, & shells caulked in way of same
overhauled.

[illegible]

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon this survey, thus, for example:—".....to remain as now classed in the Register Book *without fresh record of Survey*," "to remain as classed and to have record of survey, 1,11," or "to remain as classed and to have record of survey, 1,11, and the notations of ss No. 1-11 and ptND11, &c."

This vessel is now in good & efficient condition, eligible, in my opinion, to remain as blessed & to have record of Survey 4, 15.
