

TANKER "O. B. JENNINGS".

This vessel is damaged and lying in Southampton waters. The Anglo-American Oil Company have telephoned to say their representative Mr. Wakeham will call at the Southampton Office to-morrow (Wednesday) morning, and request that the Society's Surveyor will accompany them to the vessel. The Admiralty will have a steam launch ready at 10 o'clock to proceed to the vessel.

It is submitted the Southampton Surveyors be informed.
