Dear Sirs,

With reference to Mr. Lyle's letter of the 9th instant, addressed to Mr. Champness, relative to the steamer "OHIO", at present under survey at your Port, I have to request that you will be good enough to place yourself in communication with the Society's Cardiff Office regarding the lining of the donkey boiler bulkhead with a view to Mr. Hand, the Principal Surveyor at Cardiff, taking up this matter with the Owners.

I should add that I am writing by this post to Mr. Hand on the subject.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

Barry.
