ENGINEER AND
ANT SHIP SURVEYOR:
A. CARTIER.

Sir,

In reply to your letter of the 29th ult. regarding the classification of the S.S. "Ohio", I beg to state that since my letter of the 26th May I have requested the directors & the Cons-directors to supply me with the necessary undertaking, & later on, I requested the Cons-directors & the prospective owners (Houlder, Middleton & Co. Ltd.) consulting engineer to supply it but, so far, without any result. Mr. Humer, the consulting engineer, appeared to be well aware that a bulkhead had been suppressed. I am now about to write to the builders & again put the matter before them.

I am, Sir,
Your obedient servant
G. D. Mares
