Havre, 26th May 1915

The Secretary
London

Sir,

With regard to your ceasing letter of the 21st instant upon the classification of the S.S. "Ohio", Havre Rpt. No. 3504, I beg to state that, in view of the correspondence passing between you & the Builders' Paris Central Office directly, as instanced by a copy of a letter dated 16th March which the Builders' Rouen Office forwarded to us upon the 18th March in reply to our request for the necessary letter from the owner, we have been under the impression that this matter had been taken out of our hands & up to the present, we have done nothing further in the matter.

However, in compliance with your letter of the 21st instant, we are now writing to the Builders asking for
