The Secretary

Sir,

In reply to your letter of the 9<sup>th</sup> instant regarding the new S.S. "Ohio", Havre report no. 3504, I beg to state that we have visited personally the general manager of the yard in which the above vessel was constructed & requested him to obtain at his earliest convenience the certificates for the steel wires & a letter from the owner regarding the omission of the bulkhead.

This we promised to do & I hope to be able to forward them in the course of a few days.

I am, Sir,  
Your obedient servant
