9th March, 1915.

Dear Sirs,

M.

With reference to Mr. Cartier's first entry report on the steamer "OHIO" and to my letter of the 16th ultimo regarding certificates for the steel wire supplied to the vessel, I have to acquaint you that these certificates have not yet come to hand. The letter from the Owners desiring the omission of the watertight bulkhead in No. 2 hold, mentioned in my letter of the 24th ultimo, has not yet been furnished, and I shall be glad if you will remind the Builders that a class cannot be assigned to the vessel until these certificates and letter are received.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

HAVRE.
