Chief Ship Surveyor 10. 2. 15

Received from Chief Ship Surveyor

NAME Steel S. S. Ohio Rpt. Hav No. 3504

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.—Extract from Sub-Committee's Report, 24/5/92.)

Survey 1st Entry

191-

It is submitted that pending the receipt of the certificates and sketches promised by the Surveyor in his letter of the 20th instant, he should be informed that the letter from the owners desiring the omission of the watertight bulkhead has not yet been received, and he should be requested to inform the builders that the vessel cannot be classed until this comes to hand.
