

Copy.

Liverpool. 26th July. 1904.

Sir,

I beg to acquaint you that the S S "JUVERNA" Messrs The Garston Graving Dock & Shipbuilding Cos No30 vessel, has been built under survey at this Port and is being towed to your Port, for the purpose of having her Engines and Boilers fitted on board.

The deck and casing were left open to ship boiler to be riveted up to complete survey on hull.

I am, Sir,

Your obedient Servant.

(sgd) R. Williamson.

Principal Surveyor.

The Secretary.

GLASGOW.
