2nd Special Survey No.3 due July, 1932.

In August last the Committee agreed to a proposal to carry out the above survey within the year of grace, subject to the vessel being generally examined and favourably reported upon at an early date.

In reply to an inquiry in regard to the requisite general examination the Owners now write as follows, viz:-

"We regret that we are not at the moment able to give you any very definite statement about the "SILVER QUEEN" for the reason that our barge transport arrangements in the Liverpool district are undergoing overhaul and it may be that this particular little

boat will prove surplus to our requirements. She has done
