71, Fenchurch Street, E.C.

21st December, 1912.

Sir,

With reference to the oil engines which have been built by Messrs. Plenty & Son, Lim., for the "SILVER QUEEN" building by Messrs. H. & C. Grayson, Lim., of Garston, I have to inform you that a request has been received from the Engineers for the classification certificate for these engines.

Messrs. Plenty were informed on the 30th ultimo that the certificate could not be issued until a report had been received that the engines had been satisfactorily fitted on board the vessel, and as they have now again requested the certificate I shall be glad if you will let me know by telegram on Monday how the matter stands.

I am, Sir,

Your obedient servant,

W. L. Clark, Esq.,
LIVERPOOL.
