Sir

I am obliged by your letter in regard to the First Entry report on the S.S. Lillebonne I have filled in the omipims' in one place scomed out an entry which by inadvertance was entered on the wrong lines - although it was not so in my draft - I regret these slips which give so much trouble - but as to the weights of the anchors, as required by rule, these were carefully looked into & it is very respectfully submitted comply with the same, having in view the modifications permitted under Part B - but these have been altered as required. I have availed of the opportunity to mark on the report the receipt of the fees.

I am Sir

Your obedient servant

John Macwilliam

To the Secretary

Lloyd's Register
Foundation

W826-0099

Referred to the Chief Ship Surveyor.

ad
