12th July, 1940.

Dear Sir,

We have to inform you that the steamer "STAD SCHIEDAM", 5918 tons gross, of Rotterdam, and now sailing under the Ministry of Shipping (Sir R. Ropner & Co. Ltd., Managers), is now at this port undergoing damage repairs and General Examination for postponement of the Special Survey which became due this month.

We shall be glad to learn, therefore, whether the last paragraph of Circular No.1770, dated 18th June, 1940, applies in this case, the current Load Line Certificate remaining in force until 1941.

We are, Dear Sir,

Yours faithfully,

The Surveyors.
