S.S. "LADY CORY WRIGHT". *Sav. Reg. No 9690*

In reply to your letter of the 25th inst, I beg to state that the 15th March 1917 I attended on board the vessel in Portsmouth Dockyard but was informed by the master that it was impossible to make any survey, on account of instructions from the Dockyard Authorities. It was arranged, however, to endeavour to complete the boiler survey, but the vessel left without doing so.

Y^{rs} We are, Sir,

Your obedient servants
