

PORTO ITALIANA--

OPOLI "

Costantinopoli 16 Marzo 1920

N° 399 di P.110

the Lloyds Surveyor

" Constantinople "

ward the following informations re the italian steamer

" :

eedings from Consple to Fiume on the night of the 20th Fe-

, she suffered in the Marmara a big fire of the cargo of

of oil fuel with great percentage of benzine.-

es occured out of the 40 men of the crew.-

Royal Italian Navy towed the steamer aground near Ambar-

les west of Santo Stefano , where the ship is always on

forts having failed to put the fire down.-

pe to rescue the part of the steamer which is under the
water.-
