

S.S. "LUCIANO MANARA"  
-----

vessel is fitted with tanks for carrying  
which are not in accordance with the practice of  
or such as could be approved by the Committee  
as intended, and on the 24th March, 1916 action  
in view of the vessel being the property of the  
Government.

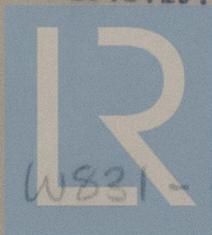

vessel has recently been under Special Survey  
by the Surveyor, and the Surveyor reported that the holds of  
the vessel were adapted in 1915 to carry petroleum in  
tanks, and found satisfactory, and he recommended  
S.S. No. 1, and a fresh record of Survey.

It is submitted the Owners should be informed that  
the tanks were not fitted in accordance with the practice  
of the Society, and have not been approved by the Committee,  
and should either be fitted in accordance with the  
practice of the Society, or removed from the vessel before  
a fresh Survey can be granted.
