reference to the recommendation on Fiume Report and the endorsement thereto, that "this vessel worthy to remain as classed, with a notation of 19, subject etc.", the Classing Committee decided the matter back for a further endorsement from Surveyors as regards the tanks for carrying oil, which are not in accordance with the practice of the Society, or such as could be approved by the Society for the purpose intended."

The view expressed by the Committee was that if the vessel retains these tanks on board, the granting of a date of survey and a record of Special Survey No.1 will be looked upon as tantamount to an approval of the
