

VESSEL'S NAME

*M. Lucy Anderson*

Report

*Rwe.*

No. *46768*

Remarks of the CHIEF ENGINEER SURVEYOR for the consideration of the Classing Committee.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—*Extract from Sub-Committee's Report, 24/5/92.*)

Nature of Survey

*New vessel.*

If only partially held, the Committee require in each case a brief statement of the following, amongst other particulars:—

When Survey became due

When proposed to be completed

Remarks:—

*It is submitted that it should be pointed out to the Surveyor that the Main-Balers have not been constructed in accordance with the approved plan, & he should be requested in all future cases to adhere strictly to the approved plan. & in the event of the builders proposing any alterations he should re-submit the plan to the Lada Office.*
