Dear Sirs,

SS. "MANCHESTER MARKET"

We beg to inform you, that owing to the Easter holidays having intervened and interfered with the labour at the Docks generally, we have decided not to attempt to repair permanently the damage to the hull of vessel on the port side No. 1. Hold.

We are very desirous of getting our ship away as early as possible and we are certain we could not do the work now in the time necessary and will therefore have to postpone the permanent repairs until a later date which please kindly note.

Yours very truly,

For MANCHESTER LINERS LIMITED,
