17th February, 1903.

Gentlemen,

With reference to your report No.859 on the  
H. steamer "MANCHESTER MARKET", I have to acquaint you that I am  
in receipt of a letter from the Owners, in which they state  
that the necessary permanent repairs will probably be effected  
on the vessel's return to your port in about six weeks'  
time.

I shall therefore be glad if you will give the  
case your attention.

I am, Gentlemen,

Your obedient servant,

Secretary.

The Surveyors,

MANCHESTER.
