Dear Sir

s.s. "Manchester Market".

We are in receipt of your favour of the 10th with reference to some damage sustained to this boat in the way of No.1 hatch through slight collision. As you say temporary repairs, (which by the way are almost of a permanent character,) have been made but it will be necessary at the first convenient opportunity to repair permanently. This will probably be done at the end of her present voyage at Manchester say in about six weeks time but we shall not fail to keep you advised as to when the repairs will be affected; naturally we will also advise your surveyors here thereon.

Yours very truly,

For MANCHESTER LINERS LIMITED.
