

Received by Chief Ship Surveyor 15.9.10.

Received from Chief Ship Surveyor _____

VESSEL'S NAME Stm. Trawler "Bereian" Rpt. M. Hul. No. 2297

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey Just Entry

The Hull Surveyors report that this vessel is proceeding to Grimsby, where the machinery is to be placed on board, and the vessel completed.

It is submitted the Grimsby Surveyors be advised that in order to complete the survey, the deck casings in way of the machinery space require to be completed after the Engines and Boilers are in place, and requested to give the case the necessary attention, and to forward a report on form 8, when the survey has been completed.
