15th February, 1912.

Sir,

I am directed to acquaint you for the information of the Liverpool Committee that the classings of the ships named in the Liverpool reports of survey (Nos. 67129-67148 & 67150-67159) were confirmed by the General Committee at their Meeting this day.

With reference to the case of the Steam Trawler "MAUD" (Liverpool Report No. 67149), I have to say that the General Committee decided to insert the record of "Wrecked 2.12" against the vessel's name in the Register Book, and to expunge her class.

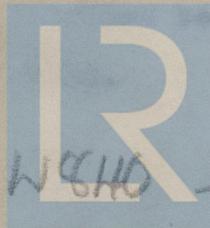

I am, Sir,

Your obedient Servant,

Secretary.

W.L. Clark, Esq.,
