November 16th 1917.

Dear Sirs,

I have to acquaint you I am in receipt of a letter from the Society's Surveyors at Hull in which they state they have been informed by the Owners' Superintendent that the Boiler Survey of the steamer "MARTHA" will be carried out on the vessel's arrival at a port in the Bristol Channel in the course of the next two or three weeks. I shall, therefore, be glad if you will give the case attention in the event of the vessel's arrival in your district.

You will observe that the Special Survey No. 3. became due at the end of September last.

I am, Dear Sirs,

Yours faithfully,

Secretary.
