To the Surveyor at

HULL.

REPLY.

Reverting to the letter addressed from this Office on the 18th. relative to the Boiler Survey of the steamer "MARTHA", I have to request you will let me know how this case stands.

J.A. Wayne
Assistant to the Secretary.

The owners' Superintendent states that the boiler Survey will be carried out at Goole when the vessel is released from her present Charter by the Belgian Government, and I understand that this vessel may be expected to arrive at Goole very shortly, and will keep in touch with the owners' Superintendent and advise you accordingly.
