6th October 1915.

H. Dear Sirs,

I have to acquaint you that the Bennett Steam Ship Co.Ltd. in a letter dated the 1st instant stated they were stopping their steamer "BURMA" at the end of that week to complete the Special Survey No.3, and when the inspection of that vessel is finished they intend completing the surveys of the steamer "MOPSA" and "COREA". The Committee have agreed to this arrangement and I shall therefore be glad for the cases to receive the necessary attention in due course.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

Hull.
