29th July, 1909.

Gentlemen,

I duly received Mr. Leathard's letter of the 27th instant respecting the testing of the anchor heads of the stockless anchors supplied for Messrs. Osbourne, Graham & Co's S.S. No. 146 ("MONITORIA"), and I have to acquaint you that the matter has received the consideration of the General Committee at their meeting today.

With regard thereto I am directed to inform you that in the circumstances the anchor heads in question will be approved, but at the same time the Builders should be informed that it must be distinctly understood that this case is not to be taken as a precedent.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

SUNDERLAND.
