The Secretary  
Liverpool.

Dear Sir

With reference to the Secretary's letter of the 8<sup>th</sup> inst. respecting my reports Nos. 78197 & 78198 on the Trawlers Hjoraur & Snorri Sturluson. I beg to state the entries therein regarding the cables are in error. I find on reference to my notes that the cables of the Hjoraur, were ranged & verified to be 105 fathoms of 1 1/8" chain. Those of the Snorri Sturluson were partly ranged & I verified 75 fathoms of 1" chain, & was informed the remaining length was in the locker. I saw it there but was unable to check the length. I much regret the trouble occasioned through my error.

I am dear sir  
Yours faithfully  
J. H. Smith
