For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

Nature of Survey

S.S. no. 1.

When due

3. 17.

The Special Survey No. 1, became due in March 1917. The machinery survey has been held.

The Belfast Surveyors state they are informed the vessel is on a voyage from the United States but the Owners do not know where she is proceeding, but that she is expected to be dry docked at an early date when a general examination can be made.

The year of grace expires at the end of March 1918.

It is submitted action be deferred until vessels movements are known to the Owners.
