25th January, 1911.

Gentlemen,

With reference to Mr. Wilson's First Entry Report on the S.S. "HULL TRADER" recently built by Messrs. Cochrane & Sons, I have to draw your attention to Section 41, par.2 of the Rules, respecting Asphalt, Enamel Cement &c.

It is noted that Horlock's Bitumastic Cement has been used in this vessel and as this cement has not been approved by the Committee I have to request that you will be so good as to forward a sample of the same for approval as required by the Rules.

I am, Gentlemen,

Your obedient servant,

Secretary.

The Surveyors,

HULL.
