PORT OF *MIDDLESBROUGH-ON-TEES.*

10th. March, 1913.

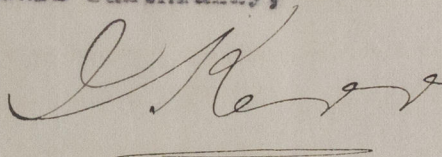

Dear sirs,

I have to inform you that the new steamer "TEES TRADER" has sailed for your port and to complete the survey the electric lighting installation requires to be completed.

Perhaps you will kindly obtain the electric lighting report in the usual course.

I am, Dear sirs,

Yours faithfully,

The surveyors,

LUNDEE.
