

PUMPING ARRANGEMENT Endorsement.

Shipbuilders: Messrs. *Alex. Stephen & Sons* Yard No. *561-2*
Engineers: Messrs. Engine No.
Owners: Messrs.

It is submitted that the plan of *oil fuel*
Pumping Arrangement
merits approval, provided the arrangements be as
shown and amended on the plan and the remaining
requirements of Sections 20 and 34 of the Rules (1936-7)
be complied with so far as they are applicable.

*It is noted that only one oil fuel
burning unit is fitted and accordingly
it is concluded that the steam generated
by exhaust gas heating will be
sufficient for all essential services
at sea.*
