GREENOCK,

30th December 1911.

Dear Sirs,

I beg to inform you that the S.S. "HURUNUI" has left this port for London and in order to complete the vessel the tunnel watertight doors require to be examined and the tank top in No. 1 hold insulated, or ceiled under No. 1 hatch.

The Owners wish to date the completion of the vessel from January 1912, and in order to meet their wishes it was arranged to leave the tunnel doors for examination in 1912.

The Owners' Superintendent states he hopes to have the insulation of the tank top carried out in London.

I am, Dear Sirs,

Yours faithfully,

sgd R. Bennett.

The Surveyors,

LONDON.

P.S. The first entry report will be forwarded in due course.
