Dear Sirs,

We beg to acknowledge receipt of your letter of the 8th inst. for which we are obliged and note contents. We thought perhaps it would have been possible for you to have given us an indication as to whether vessels built for river and coasting trade would have had sufficient scantlings for ocean trade. However, we note you are unable to do this and we may write to the Owners to ask you to give us such information as we require.

Yours faithfully,

[Handwritten signature]
