

Stars 1 2

The space between the new bulkhead & the cross bunker

Lloyd's Register  
Foundation

Sck. Hermione.

The bridge, which was on aft end of engine casing, now removed to fore end of boiler casing.

The whole of the wood deck caulked & payed.  
A new ship's boat supplied.

Cement which was disturbed to effect above alterations now renewed.

The hand pumps now changed to other positions to suit new arrangement, as follows:-

One to fore peak, one to fore hold, one to forward fishroom, one to forward slushwell, & one to aft slushwell.

The steam suction altered to suit as follows:-

One from fore hold, one from forward fishroom, one from forward slushwell, & one from aft slushwell.

On completion the pumps were tested & found in order.
