9/2/12
SS 'The Elrain'

Rpt.

Brw

No.

1536

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/12.)

Signature of Surveyor

First entry

It is submitted the Glasgow Surveyors be informed that this vessel has proceeded to their port when her machinery is to be fitted, and to complete the survey on the hull the E.H.B casing require to be riveted up after the machinery is shipped, and the bolts for securing the hatch web require to be examined & fitted in place. They should be requested to give the case the necessary attention & on completion of the work to forward a report on form 8 for the information of the Committee.
