Messrs. Lloyds Register of Shipping,  
71 Fenchurch Street,  
LONDON...E.C.

Dear Sirs;-

S.S. "KILLELLAN".

We have refrained from replying to your letter of 1st December, as we were having this vessel put into dock for repairs; she was docked on 7th December and came out on the 20th December, and while in dock ~~the~~ the work has been inspected by your Surveyors at Sunderland.

Referring to your letter of 1st inst. we consider this most unsatisfactory. You have made a very broad and general statement, which is not what we would have expected from you. In making the request we did, we expected you would have given us some indication of your requirements. *such early alterations be necessary*

Yours faithfully,
