Messrs. Lloyds Register of Shipping,

London. E.C.

Dear Sirs;-

S.S. "KILLELLAN".

We have written your Sunderland Surveyors,
advising them that this vessel will be docked towards
the end of next week, when we expect to carry out
the repairs to bulkhead, decks and stem.

We have a proposal to re-charter this vessel,
limits U.K. and the Continent between Dunkirk and
Sicily. Will you please put this forward for the
consideration of your Committee and see if this
extension can be made, the present draft being allowed.

Yours faithfully,
Per Pro ATLAS SHIPPING CO. LTD (OF CANADA)
