Lloyd's Register of Shipping,

November 6th 1917.

Dear Sirs,

H
I beg to acknowledge the receipt of your letter of the 2nd instant intimating that the steamer "GERASIMOS" is now on her way to Marseilles, and that instructions have been given to your Agent there to endeavour to secure a dry dock for the vessel after her discharge when the survey of the screw shaft and as much as possible of the Special Survey No. 1. will be carried out.

In reply, I have the pleasure to say that, in the circumstances, the Committee, who had the case before them at their meeting to-day, have deferred the further consideration of the same for the present.

I may add that full particulars in regard to the matter are being forwarded to the Society's Surveyor at Marseilles.

I am, Dear Sirs,

Yours faithfully,

Messrs. Lykiardopulo & Co.,

117/118, Leadenhall Street,

E.C. 3.

Secretary.
