Dear Sirs,

S.S. "GLENOGLE" - Damaged Bedplate.

On the instructions of our Chairman we referred to Lord Pirrie the question as to whether the suggested repair should be accepted or a new casting made. We enclose copy of wire received from His Lordship from which you will see that he approves generally of proposed repair but would like to see some slight alterations in executing same. You will no doubt communicate the contents of this wire together with enclosed sketches to the Wallsend Slipway Company as soon as possible in order to avoid further delay.

Trusting you will be able to effect the repair on the lines indicated in Lord Pirrie's wire.

We are, dear Sirs,

Yours faithfully,

(Sgd)
