Dear Sirs,

With reference to your letter of the 27th ultimo respecting the steam trawlers "TOKIO II", "EARL GRANARD" and "HELICIA" I have to acquaint you that in view of these vessels being still in the service of the Government the Committee have deferred action for the present in regard to the overdue surveys viz. the boiler survey and survey of the screw shaft of the "TOKIO II" and "EARL GRANARD", and the special survey No. 3, boiler survey and survey of the screw shaft of the "HELICIA". You will be so good as to inform the Owners accordingly.

I am, Dear Sirs,

Yours faithfully,

Secretary.
